## Anesthesia Release Form

Owner's Name: \_\_\_\_\_ Pet's Name \_\_\_\_\_

Phone Number: \_\_\_\_\_ Date: \_\_\_\_\_

Surgical Procedure: \_\_\_\_\_

### Associated Risks

Although rare, sometimes an underlying or previously undiagnosed medical condition (such as heartworms or hookworms) can cause complications when a pet is under anesthesia. I understand the risks of anesthesia and surgery, and authorize the doctors and staff of Merrill Animal Clinic to perform these procedures.

### Required Services

The following are required prior to any anesthetic procedure. Any services rendered to meet these requirements will be charged accordingly.

1. Pets must be flea free. Otherwise, an appropriate flea treatment will be administered.
2. Dogs must be current on yearly Heartworm testing.
3. Pets must be current on vaccinations:

#### Cats must have:

FVRCP

Rabies yearly

#### Dogs must have:

DHPP

Rabies yearly

Bordetella (Kennel Cough) yearly

4. If your pet is found to be pregnant, we will proceed with the spay unless you initial here: \_\_\_\_

### Recommended Services

To reduce the risk of complications during anesthesia, we recommend the following blood screens:

I request Pre-Op #1 (\$74.97)

Recommended for Pets 3 years and younger

CBC (Complete Blood Count) Chemistry 10

I request Pre-Op #2 (\$93.71)

Recommended for Pets between 4 and 7 years old

CBC (Complete Blood Count), Chemistry 10 & Electrolytes

I request Pre-Op #3 (\$137.27)

**REQUIRED** for Pets 8 years and older

CBC (Complete Blood Count), Lytes (Electrolytes) Chemistry 17

I decline Pre-Op blood screenings for my pet prior to surgery.

Fecal \$5.00 (recommended to rule out intestinal parasites)

With mass removals, it is also strongly recommended to send the mass out for analysis:

YES I would like Histopath done  NO I would not like Histopath done

### Optional Services

I request pain medications to go home.

Nail Trim \$4.00. Yes, my cat is strictly indoors.

Complimentary Ear Flush. DOGS ONLY

Microchip \$39.94

I have read, understood, & accept the above terms: \_\_\_\_\_
